

Trojans Baseball Association 2023-24 Sponsorship Form

Dear Wissahickon Trojans baseball program supporter,

The [Trojans Baseball Association](#) is a 501(c)(3) nonprofit organization that exists to provide financial and operational support for the **Wissahickon High School baseball program**. Along with technical skills to improve performance, our program helps players build lifelong skills, memories and friendships.

We're pleased to share that the district just officially opened our new Wissahickon High School multipurpose turf field, and we're looking for new banner sponsors! Sponsorship offers your business an opportunity to positively impact our Wiss baseball players and help them build lifelong memories, while showcasing your commitment to our student-athletes by being among the first to hang a banner on the new field. Reserve a spot now!

Our fundraising efforts help with expenses beyond what the school district budget covers, including:

- Team equipment
- In and off-season training programs
- Warmup and other non-uniform gear
- Events
- Coaching staff fees

Your banner will be displayed for all game attendees and nature path users to see, for one year, from March 4 to February 28. In addition, your business will be featured on our website and our Instagram channel. **And we'll share your commitment with the parents of our baseball players.**

Options (Please check your preferred level of sponsorship)

- Option A:** \$1,000. You'll get a banner to display on our field, as well as important digital promotion and our website, social channels, and shout-outs at home games.
- Option B:** \$500. You'll get a banner that will be displayed on our field.
